**Doug Medford** is a powerful and inspirational speaker who has the unique ability of using humor to bring to life stories of children, interventions, solutions, and strategies, in a way that will totally engage you. Doug has a degree in Communications as well as Certification as a Teacher Trainer, and is also an adjunct professor at Seattle Pacific University. He is a “fountain of information” on handling hard to handle secondary students. Doug has devoted the last eight years to educating teachers about what works with students. He has presented over 500 seminars to more than 100,000 educators all over the United States and in Canada. Doug’s schedule is jam-packed with seminars, conferences, in-services, and time spent in schools and districts helping them to implement successful programs to reach diverse learners. Doug has a wealth of knowledge and even better, knows how to share it with others. His seminars are information-packed, humorous, and filled with solutions, strategies, and interventions that you can immediately implement with your own students.

This web-based training will give you strategy after strategy for dealing with difficult students.
